

Consent for processing personal data by editorial team of 'Nuclear and Radiation Safety' Journal

I, _____,

(author's full name)

give this consent to the processing and use of my personal data by the editorial team of the 'Nuclear and Radiation Safety' Journal. The purpose of personal data processing pertains to the activities of the research & practice journal 'Nuclear and Radiation Safety'.

The list of personal data covered by the personal data owner consent to processing:

- surname, first name, patronymic;
- academic degree, academic rank;
- affiliation (name and address of organisation, job position);
- contact phone numbers and e-mail address.

I am aware that personal data processing extends to:

- collection, storage and disclosure of personal data in the 'Nuclear and Radiation Safety' Journal, including on its official website (nrs-journal.ru), as well as on the website of the scientific electronic library eLIBRARY (elibrary.ru) and in other scientific libraries and bibliographic databases;
- personal data transfer to the Russian Science Citation Index (RSCI) in accordance with the requirements of the Higher Attestation Commission (VAC).

This consent is valid from the date it is signed until the day it is revoked in writing, unless otherwise provided by the federal law.
